Dear Pat,

Well, how is it going? Has anything happened to Dignity-south? The impression that I got from Paul was that the response was less than enthusiastic... which sounds like conservative San Diego. Have there been any new developments? Are we ever going to meet facie ad faciem? If convenient, please give me a call sometime during the day (291 7985).

Hope all is going well!

Sincerely,

*Fr. Pat*
